Languages	Core JAVA 7.0, Java 8.
JSE Technologies	JDBC
JEE Technologies	Servlets, JSP
ORM Software	Hibernate
Framework	Spring MVC,Spring Boot
Web Technologies	Html, JavaScript, CSS.
Database Software	Oracle 12c, MySQL.
Servers	Tomcat.
IDE	Eclipse
Operating Systems	Windows.

Academic Profile:

- MCA from Maharaja Sriram Chandra Bhanja Deo University, Odisha 2022.
- Bsc from Utkal University, 2020.
- Isc from Council Of Higher Secondary Education, Bhubaneswar 2017
- 10th from Board of Secondary Education, Odisha 2015.

Project:

Design and implementation of Order Accessories Online:

Description:

The Order Accessories Online Store is a web-based platform that will allow customers to browse and purchase a variety of accessories such as phone cases, jewelry, bags, watches, and more. The platform will be designed to provide customers with an easy-to-use interface that allows them to quickly find and purchase the accessories they need.

User Registration and Login: Customers will need to create an account to be able to purchase items on the website. The registration process will require the customer's name, email address, phone number, and shipping address.

Product Catalog: The website will display a catalog of all the accessories available for purchase. Customers will be able to filter products by category, price range, popularity, and other attributes.

Product Detail Pages: Each product will have its own detail page that will display images, description, pricing, and other relevant information.

Shopping Cart: Customers will be able to add products to their shopping cart and review their cart before proceeding to checkout.

Order Management: The website will provide an order management system for the administrator to track and manage orders. The administrator will be able to view order details, update order status, and communicate with customers regarding their orders.

Customer Service: The website will provide a customer service section where customers can submit queries and support tickets. The customer service team will be able to respond to customer queries and resolve any issues.

Environment:

Technologies used	: jdk 1.8,JSP, Servlet, Hibernate.
Web Technologies	: HTML, JAVA SCRIPT, CSS.
Server	: Tomcat.
IDE	: Eclipse.
Data Base	: Oracle 12c.
OS	: Windows.

Responsibilities:

- Frontend designing by using HTML, CSS, JavaScript and JQuery.
- Backend business logic code development.
- Implementing required sql queries using MySQL database.
- Issue fixing.

Interests:

❖ Programming and Coding
❖ Communications and Networking
❖ Traveling.

Personal Details:

Name	: Itishree Mohanty
Dob	: 28th July 1999.
Sex	: Female.
Nationality	: Indian.
Languages Known	: English, Hindi, Odia.
Permanent Address	: Nankar, Indalo, Kendrapara. Odisha - 754210
